On view August 9 - September 16, 2023

Parent Company is pleased to announce the last exhibition of its inaugural summer season entitled *Speedo International Unlimited*. The exhibition features work by thirty artists, including Tisch Abelow, Andrew Yong Hoon Lee, Georgina Arroyo, Mac Balentine, Erica Baum, Blakey Bessire, Stewart Bird, Taylor Bluestine, Eric Carlson, Grayson Cox, Kevin Dudley, Liliana Farber, Wretched Flowers, Michael Gac Levin, India Halsted, Anthony Limauro, Patrick Carlin Mohundro, Gustavo Murillo Fernández-Valdés, Ruba Nadar, Ryan Oskin, Georgica Pettus, Will Rahilly, Lara Saget, Susan Stainman, Charlotte Strange, Fyn Paulina Bonita van Ast, Caroline Wallis, Caroline Weinstock, TENET, and Suyi Xu.

The exhibition title is a tongue-in-cheek reference to summer group shows with an *everyone-in-the-pool* approach to curating. The point is to fit as many artworks as possible in the 250-square-foot gallery space.

Artists were invited to submit a work of their choosing that is relatively small and roughly \$1,000. The price point was a gentle push towards making buying the work more accessible to a wider audience. The vague size constraints were set to allow for the maximum number of participants while also giving a lot of leeway. Both guidelines were happily disregarded as needed.
